

**Task:** Your English teacher has asked you to write an essay about the benefits of learning a second language. In your essay, you should:

- Explain why learning a second language is important.
- Describe how learning a second language can impact your life.
- Write about any challenges you have faced while learning a second language.
- Explain how learning a second language can help you in your future career.
- Write about any future goals you have related to learning a second language.

Please write 300-350 words. You have 80 minutes to complete the task.
